What Winners Won't Tell You Malcolm Jenkins,2023-10-03 As a two-time Super Bowl champion, three-time Pro-Bowler, first round draft pick, and former Jim Thorpe Award recipient, Malcolm Jenkins knows a thing or two about winning. Over the course of his thirteen-year NFL career, the now retired defensive back's triumphs extend beyond that on the football field. As a successful entrepreneur he has seen the blossoming of his business ventures with an eponymous company named Malcolm Inc., and a media conglomerate named Listen Up Media. As a philanthropist, he strives to make a positive difference in the lives of young people in underserved communities through The Malcolm Jenkins Foundation. And as the father of two daughters, he understands the challenges of loving his children, and preparing them for an often unkind and hostile world. But for every triumph, there is a tragedy, for every loss, a lesson. In *What Winners Won't Tell You*, Jenkins share with readers the insight he's gained from winning and losing alike. One moment, Jenkins is riding high from being the only NFL Player to have Super Bowl victories against Hall of Fame quarterbacks, Peyton Manning and Tom Brady and then he's navigating the harrowing low of a divorce from the mother of his children. In another moment he's advocating for the advances of Black people in America, and then feuding publicly about the direction of this advocacy. Providing fans and readers alike with an intimate portrayal of life on and off the field, detailed breakdowns of his greatest moments against the games premiere players, and poignant reflections about what it means to straddle the narrow line between victory and defeat, *What Winners Won't Tell You* is the best kept secret for those who want to know what it takes to be a champion.

No one knows what you've been through until they've walked a mile in your shoes. When I wrote my book *Zero Mathematics: The Science of Today*, I was at the end of the line. I truly had been there and done that and wanted wisdom. After writing that book, I realized that no one knew the story behind the smile. I invite you in so that you can understand my past to appreciate how I value the present, a gift of happiness only God could have given me and one that he can bless you with too.

Pledged Alexandra Robbins,2011-05-24 Alexandra Robbins wanted to find out if the stereotypes about sorority girls were actually true, so she spent a year with a group of girls in a typical sorority. The sordid behavior of sorority girls exceeded her worst expectations -- drugs, psychological abuse, extreme promiscuity, racism, violence, and rampant eating disorders are just a few of the problems. But even more surprising was the fact that these abuses were inflicted and endured by intelligent, successful, and attractive women. Why is the desire to belong to a sorority so powerful that women are willing to engage in this type of behavior -- especially when the women involved are supposed to be considered 'sisters'? What definition of sisterhood do many women embrace? *Pledged* combines a sharp-eyed narrative with extensive reporting and the fly-on-the-wall voyeurism of reality shows to provide the answer.

Life's Accessories Rachel Levy Lesser,2019-11-05 Rachel Levy Lesser can relive almost every significant life event through an accessory. A scarf, a pair of earrings, a bag, even a fleece pair of socks—each contains the elements that put together the story of a life. *Life's Accessories* is a funny, sad, touching, relatable, shake-your-head-right-along-as-you-laugh-and-wipe-away-tears, coming-of-age memoir. In fourteen essays, Lesser tackles sensitive issues like anxiety, illness, and loss in a way that feels a bit like having a chat with a good friend. Out of the stories comes solid life—and fashion—advice. About far more than just a hair tie, a bracelet, or a belt, *Life's Accessories* is a window into the many ways in which Lesser has come to understand life—in all of its beauty, its joys, its sorrows, its heartaches, its challenges, and its absurdity.

Behind the Masks Mary Alice Beasley,2019-05-11 In these hybrid tales, a fusion of facts and fiction, everyone has a hidden story. Part 1 chronicles the journey of nine first year teachers (Baby Boomers) from their initial hiring during the tumultuous onset of school busing and integration in 1970 to their retirement four decades later. Behaviors, attitudes, and social interactions observed during their careers are emphasized. Their personal stories demonstrate how lingering intrapersonal conflicts affect day-to-day relations. People are complex, and many factors influence conduct. Depending on the

wants, needs, desires, motives, checked but unclaimed emotional baggage, they can be masters of deception. Like actors in plays, most wear masks and perform according to well-rehearsed scripts. To discern the content of a person's character, one must look behind the masks. In part 2, using the setting and timeline of the teachers' journey in part 1, a retired educator summarizes decade by decade the social, political, educational, and economic changes in the community to prepare her granddaughters (Millennials) for the challenges they will face in the era of Black Lives Matter. She concludes by reemphasizing the unfortunate but necessary talk African American parents give their teenagers about the perils of life as they embark upon meandering journeys in pursuit of their dreams.
